

How to Report Fraud

ROVERS is taking a proactive approach to combating fraud affecting our System. We have developed an avenue for anonymously reporting suspected retirement related fraud to ROVERS. Fraudulent activity is unacceptable and we need your help to report any suspected fraud related to the retirement system. Examples of fraud related to retirement may include, but are not limited to, the following:

- Intentionally falsifying retirement information
- Falsely claiming disability retirement
- Theft or misuse of personal information for ROVERS members and retirees
- Continuing to cash or receive retirement payments for deceased member(s)
- Intentionally not enrolling eligible individuals into ROVERS
- Any illegal activity related to the retirement system

Please call 1.844.41.FRAUD (1.844.413.7283) or submit an electronic report using the appropriate link below if you suspect retirement related fraud that affects ROVERS.

To ensure that your allegation can be processed and/or investigated thoroughly, please provide as much information as possible.

Please consider the following items when providing details on the allegation:

- Who was involved?
